Profile

Innovative designer with expertise in visual storytelling, communication, branding, and marketing design, creating work that blends creativity with strategic purpose. Skilled in client services, project coordination, and design support, bringing together creative excellence and professional precision to deliver impactful results.

Experience

Kitchen & Bath Design Assistant, JWH Designs, LLC. — 2024-Present

Encouraged business development through social media management and print advertisements featured in *Architectural Digest*, *Westchester Home Magazine*, and *New England Home*. Managed client relations and appointments, ensuring exceptional service and satisfaction throughout the design process. Oversaw office operations, including meeting coordination, inventory management, and Women-Owned Business certifications, combining creative expertise with professional organization to deliver seamless project execution.

Graphic Designer, Hodges Ward Elliott — 2021-2024

Drove new business by improving property valuations and proposals, boosting client engagement. Designed event collateral including menus, way-finding materials, and invitations for client retreats. Produced offering memorandum books and created and maintained property websites to showcase listings. Ensured consistent branding and design across all print and digital materials, combining creative design with strategic business impact.

Graphic Designer, RF Binder — 2019-2021

Created brand guidelines and social media templates for RF Binder and multiple clients to ensure consistent, ongoing digital presence. Designed event collateral and curated tasting sheets for corporate events at Wines of Germany. Supported all client projects by implementing edits and contributing to creative ideation, combining design expertise with collaborative project execution.
